

## Product data sheet REF 69.02.20

11.12.2025

| General data  |                                   |                                     |   |
|---|-----------------------------------|-------------------------------------|---|
| article number  | 69.02.20                          | implant tray Mini Fracture Syst 2.0 |   |
| Unit  | piece                             | Customs code (HS code)              | 90189084  |
| GMDN  | 12143                             | GTIN                                | 04046826338749  |
| Risk category   | 1 (EU MDR)                        | UMDNS-Code                          | 12-142  |
| Classification  | 1 (EU MDR)                        | Base UDI-DI                         | 4046826;N003;03;X8  |
| Net weight (kg)   | 16,400                            | Operating instructions              | GATDN00X  |
| Latex free  | yes                               | Preparation instructions            |   |
|   |                                   |                                     |   |
| Medicon media   |                                   |                                     |   |
| Complete picture  |                                   | Detail images                       |   |
|   |                                   |                                     |   |
| size  |                                   | Coating                             | Anodizing is the process of enriching titanium with a hard anodized layer on aluminum components. |
| Storage conditions  |                                   |                                     |   |
| No special requirements   |                                   |                                     |   |
| Materials   |                                   |                                     |   |
|   | Material number (DIN designation) |                                     |   |
| Main part   | 3.3547 (AlMg4,5Mn)                |                                     |   |
| Screw   | 1.4305 (X8CrNiS18-9)              |                                     |   |
| Others  | PPSU (Polyphenylsulfon)           |                                     |   |
